

### **KINDY ENROLMENTS for 2018 - IMPORTANT**

Please pass on the message to your friends and families that we are currently taking Applications for Enrolments for Kindy in 2018. These applications will be used to start a list of students for next year so we can start to plan. As Kindy is non-compulsory we cannot guarantee places therefore:-

1. First Priority - Child residing in the local-intake area who has a sibling also enrolled at the school in the current year, and who lives nearest the school.
2. Second Priority - Child in the local-intake area who does not have a sibling enrolled at the school in the current year, and who lives nearest the school.
3. Third Priority - Child not residing in the local-intake area who has a sibling also enrolled at the school in the current year, and who lives nearest the school.
4. Fourth Priority - Child not residing in the local-intake area who does not have a sibling enrolled at the school in the current year, and who lives nearest the school.

We also date applications as we receive them so should we not have enough spaces we will place additional students on a waiting list in case a second class can be created in order that applications are received.

Please pick up as Application form from the front office or see attachments on the HPS Face Book page, Website and APP.

**CLOSING DATE FOR ENROLMENTS FOR 2018 IS 21<sup>ST</sup> JULY 2017**
